

TEAM DIY

CLARA JAN LENA
NADINE RONI YANN

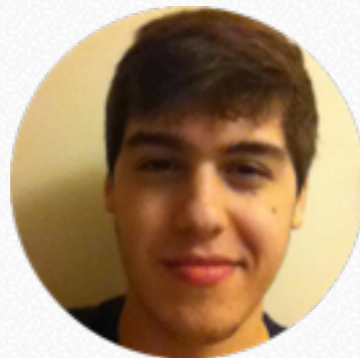

«I miss being around people.
That's why I always push myself to go out.»

Pedro Riera, Scriptwriter

«Remote working? Not very social.
During the weekdays I only spend time with my cat.»

Moa Rydell, Illustrator

«Even if I have to work on the
weekends I'd rather go to the office.»

Rafael Ticianelli, Developer

ENERGIZERS!

Energizers are tools to inject energy into the process, get people moving and have fun, by engaging them in physical activity, laughter or a game.

"I miss being around people. That's why I always push myself to get out."

Pedro Riera, Script Writer

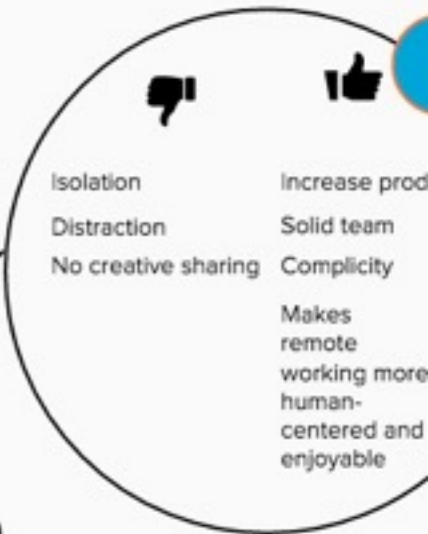

ENERGIZE 2GETHER

"Remote working? Not really social, during the weekdays I only spend time with myself and my cat."

Moa Rydell, Illustrator

WHY DO REMOTE WORKERS NEED ENERGIZERS?

- Productive
- Connect on a personal level
- Fun while using work hours
- Helps to manage distractions
- Take an energizing break for a second
- Focus
- Builds team spirit
- Shows you laugh
- Activates something together
- Helps to pump energy
- Feeling loved and energized

READY FOR AN ENERGIZER?

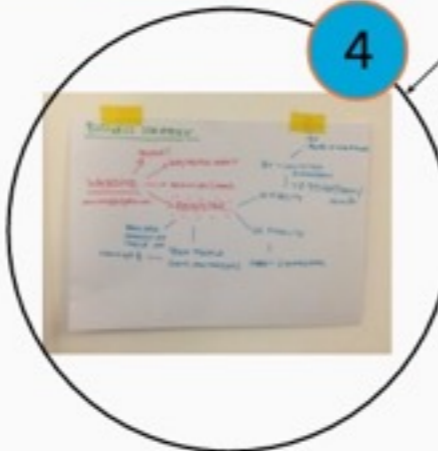

"At HANNO we've been looking for a way to do energizers online for eight months..."

Laïla von Alvensleben, Designer

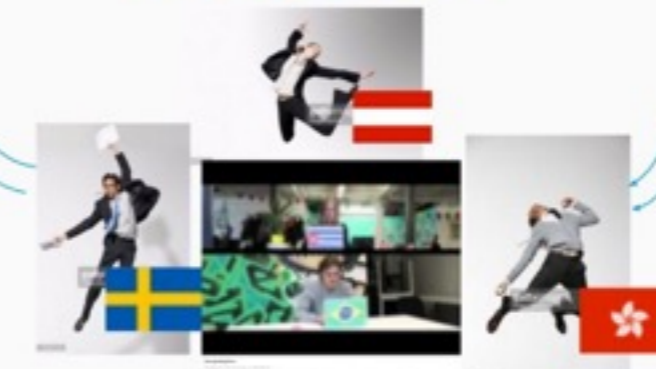

Our interviewees said that remote work is important for a team physically

4

"After ENERGIZE2GETHER blood is rushing and energy is back - it's time to focus and get some work done."

Dan Nessler, Designer

Our target group (young creatives) tend to feel isolated, not very focused and a lack of sense of belonging to something - a team.

Participate! You can sign up with your own energizer and send it to energize2gether and get part of the E2G-Encyclopedia!
